

The following notice will be published in the October 16<sup>th</sup> and October 30 editions of the Casper Star-Tribune.

**PUBLIC MEETING**

**DEQ LAND QUALITY DIVISION**

The Department of Environmental Quality, Land Quality Division (LQD) will hold an Advisory Board Meeting at 9:00 a.m., Monday, November 14, 2011, in the Hearing Room at the Oil and Gas Commission building located at 2211 King Boulevard, Casper, Wyoming. The major item of discussion will be proposed revisions to the Non-Coal Rules and Regulations presented in the Exploration by Drilling, Small Mine and Limited Mine Rule Package. These revisions are intended to clarify the standards utilized when conducting exploration by drilling and update and clarify regulations related to small mining operations and limited mining operations.

Proposed rule language will be made available November 17, 2011 on the LQD website at <http://deg.state.wy.us/lqd>. The Advisory Board may be voting on whether the proposed rules should proceed to Environmental Quality Council for formal rulemaking at this meeting.

Check the above website for information concerning possible cancellation or delayed schedule of this meeting.

**In accordance with the Americans with Disability Act, special assistance or alternative formats will be made available upon request for individuals with disabilities.**
