

## CONTRACTORS OFFERING EMERGENCY RESPONSE SERVICES

This list of contractors is for the convenience of the Wyoming Department of Environmental Quality and is not a certification of approval of the companies or their services. This list is not intended to be complete and may not be the only services performed by the companies. The Wyoming DEQ makes no claim as to the ability of any of these companies to perform their services nor accepts any responsibility for their failure to do so. Any Contractor who wishes to be listed in this directory may contact the Emergency Response Coordinator at 307-777-5885 or send a brochure of services to:
