

Water Quality Division
Electronic Discharge Monitoring Reporting (eDMR) System
Deactivation Form

This “Deactivation Form” is used to deactivate eDMR access for representatives who are authorized to either view or submit Discharge Monitoring Report (DMR) data using the Wyoming Department of Environmental Quality (WYDEQ) eDMR system.

- Please print or type. Submission of illegible materials will result in return of the Deactivation Form to the applicant.
- **“Permittees Company Name” refers to the company that owns the permit(s).** Entering any other company name such as the name of a consultant will result in return of the Deactivation Form to the applicant.
- One “Deactivation Form” shall be used per applicant.
- Please supply eDMR username and account type.

User Account Information:

eDMR Username:		Account Type: <input type="checkbox"/> Certifier <input type="checkbox"/> Viewer
