

NOTICE OF INTENT

**TO REQUEST DISCHARGE AUTHORIZATION
FOR STORM WATER
FROM MINERAL MINING OR
INDUSTRIAL ACTIVITIES**

General Mineral Mining, WYR32-0000 or
General Industrial WYR00-0000

<p><i>Official Use Only</i> Date received:</p>
--

Coverage under the General Permit (WYR32-0000 for mineral mines or WYR00-0000 for industrial facilities) is required before the initiation of mining-related activities.

- ✓ Please print or type.
- ✓ All items must be completed accurately and in their entirety or the NOI will be deemed incomplete and processing will be delayed.
- ✓ Storm water discharges from a mineral mining or industrial activity are covered under the general permit when the administrator provides a letter of authorization (LOA) to the applicant (see Part 1 of the permits).
- ✓ Authorizations issued under the general permit are subject to an annual \$100 permit fee for as long as the authorization is active or until the general permit expires. The annual billing cycle is based on the calendar year from January 1 to December 31. There is no need to pay the fee with the application. All permit fees are invoiced at the end of the billing cycle.
- ✓ An original signature of the applicant is required. Faxes cannot be accepted.

1. Check the box that applies to your industrial activity: Mineral Mining (SIC 14) or Industrial

2. Name, address, and telephone number of the industrial or mining activity operator. This is the company, individual, or organization that has day-to-day supervision and control of activities occurring at the mine or other covered site and which will be the permittee:

Operator name: _____

Mailing address: _____

Telephone: _____ Fax: _____

3. Name, legal description and county of the facility for which this notice is being filed:
Note that a project location using section, township and range OR a street address is required:

Facility Name _____

Legal Description :

Quarter/quarter: Section: Township: Range: County:

	Street address if applicable:	
	Latitude and Longitude to the nearest 15 seconds (optional):	

4. Land Quality Division permit number for mining facilities:

5. Name of the nearest defined drainage(s) which could receive runoff from the authorized facility, whether it contains water or not. Include bodies of water such as lakes and wetlands where applicable.

6. Will storm water from the project enter a municipal storm sewer? Yes No

If so, what municipality?

To what water body does the storm sewer discharge?

7. Has a "Storm Water Pollution Prevention Plan," following the requirements presented in the appropriate general storm water permit, been prepared for the facility?

Yes No

Please note that the SWPPP is a permit requirement and you will not be issued coverage under the general permit unless you answer yes to this question.

8. Briefly describe the primary industrial activities conducted at this facility:

9. Provide a list of specific pollutants that may be exposed to storm water at the facility:

10. What is the primary Standard Industrial Classification (SIC) code for this facility?

11. **Attachments:** For any mineral mining activity comprising more than 50 acres, the permittee must submit the SWPPP with the NOI. This requirement applies only to the Mineral Mining General Permit, not the Industrial General Permit.

- 12a. Agreement to comply. Submission of the NOI to the Department constitutes full agreement by the operator to meet and comply with all requirements of this general permit.
- 12b. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. In addition, I certify that I am aware of the terms and conditions of the mineral mining general permit and I agree to comply with those requirements.
